Dear Parents and Whānau,

Full credit to all our students for the way they are interacting and playing together in the greatly reduced playground space. I've been very interested to observe how much more connected the older students are with our younger students and the care they are showing towards each other. The temporary configuration of the classrooms is promoting a much stronger social cohesion across all year levels. As we move into the winter weather we will continue to find ways to keep our students playing happily together. So far we are keeping the carpark free on a Friday so students can continue to have the opportunity for 'Wheel's Day'. Students are welcome to bring their scooter or skateboards (no bikes sorry, there isn't the space!) and enjoy riding them at morning tea and lunchtimes. Helmets are compulsory.

Last Thursday was our school Cross-Country Race and fun House Run for those non-competing runners. Running along the foreshore in perfect autumnal conditions is something I hope all our students will cherish and remember. This Wednesday our school representatives from Year 5-8 are competing against other schools in our South West Zone at Halswell Quarry. Thank you to all the parents who have volunteered to transport and support. Good luck to our runners.

Do you have any 'hand-me-down' track pants or leggings, small sized underwear (boys and girls) or any t-shirts in smaller sizes? We have run out of spare clothes for both our little girls and boys and would appreciate any donations. Please leave these with Rebecca in the Office.

Lastly I do trust you will read the strong message from our Student Council responsible for Road Patrol regarding their observations and concerns about the parking and driver behaviour around our school crossing. It is a reminder to us all to be considerate of the safety for all our students.

Nga mihi nui~ kind regards,
Judy Cooke

Student Council

Dear Parents and Whānau,

On behalf of the Student Council we would like to ask all parents/caregivers and family to please do not park on the yellow lines, double park, illegally park on the wrong side of the road or stop in the middle of the road, because when anyone does any of the above it makes the students on Road Patrol's job even harder, because we do not know where you're going and you need to remember we have to make sure little kids, and anyone who crosses including ourselves are safe, and when you do any things that have been stated it makes our job a lot harder. So please start considering the risk you are starting to create. So please do not park on the yellow lines, double park, illegally park on the wrong side of the road or stop in the middle of the road.

Sincerely,
Student Council

Movie Night!

It's that time again and movie night is coming up on Friday 21st June. This is an annual event that the PTA puts together and is a great event for the kids and a chance for parents to get together. Tickets for the event will be able to be purchased from Monday 16th June. The plan for the evening is meet at 5.30pm for pizza/hot chips and then the kids can choose one of 2 movies to watch. The Senior Students are helping to select the movies. Children will need a parent/carer to be at the school to assist with supervision and it's a great opportunity to socialise with other parents.

Kids can wear PJs if they want and bring a cushion/bean-bag.

See you there!

Governor's Bay School PTA.

After School Care

Nic is away and is not running the After School Care Programme from Tuesday 3rd June to Thursday 15th June. Sabina will be the main contact while Nic is away and you can contact her on Ph 021 0254 7133 if you need any assistance with After School Care.

Basketball

Please note that Nic is away for the game on Monday 10th June therefore she is unable to organise transport. If you need transport to the game for this week please contact Jilt on 021 358 052. This season we are experiencing difficulty with transport so as much help as possible would be greatly appreciated. Many thanks—Nic.
